YONGNAM UNVEILS NEW CORPORATE IDENTITY TODAY

Yongnam Holdings Limited (“**Yongnam**” or the “**Company**”) is proud to announce the launch of a new corporate identity as part of the ongoing evolution of its overall brand. The new icon graphically depicts the Company’s established structural steelworks and specialist civil engineering businesses, built upon a firm foundation of reliable and superior client solutions. In addition, Yongnam has adopted “Adding Value to Steel” as its tagline, which aptly describes the Company’s mission to be the provider of choice and partner in solutions for the steel construction industry.

The updated logo, shown above, incorporates the familiar "octagon" element that has been part of the company's identity for over a decade now. The new logo design has been applied across Yongnam's regional network of offices in Singapore, Malaysia, Hong Kong, Thailand, India and the Middle East.
